Vincent Van Gogh

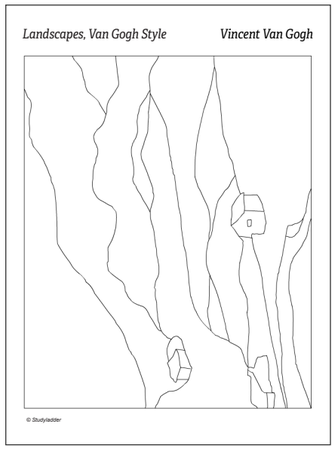
Landscapes, Van Gogh Style



• *Print a copy Studyladder's 'Landscapes, Van Gogh' activity sheet.*

Use vibrantly applied crayon resist and a watercolor wash to create your own swirling landscape in the style of Vincent Van Gogh.

• *Use the print out or create your own composition.*

• *Use strong free movements and draw lots of individual lines, close together to build up the colors in your picture.*

• *Use watercolors over the top of your crayons to make the colors stand out.*
