# Donkey Disaster!

Imagine having your own pet donkey!

Where would you take your donkey?

How would your donkey behave?

# Plan Your Narrative

Who are your characters?

Where will your story take place?

What problems might arise?

How will your characters solve the problems?

# Narrative Ideas:

Write a narrative about a donkey causing havoc. Some ideas:

- \* Taking a donkey to school, and all the trouble it causes.
- \* A donkey that gets into its owner's house while they're out, and the mess it creates.
- \* A donkey that escapes from a farm, and the resulting problems.
