

✎ Write in sentences. ✎ Pay attention to spelling and punctuation.

## Procedures

Procedures are **instructions** that tell the reader how to do something.

Procedures that tell how to prepare food are called **RECIPES**.

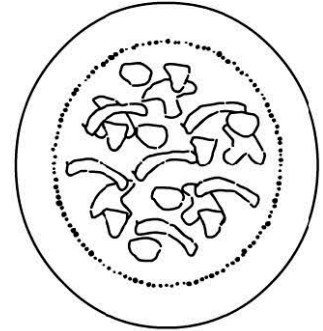

### Planning:

What is the goal / aim of the recipe?

### How to make a pizza

List all the things you need (ingredients)

- 

Step by Step instructions (tip: use action verbs like: make, place, cut, spread, cook. These tell the reader what to do)

Step 1

Step 2

Step 3
