Theme Based Study Sheet

Dog facts

The most popular breed of dog in the world is the Labrador.

All domestic dogs descended from wolves.

Dogs have a much better sense of hearing and smell than humans.

Irish Wolfhounds and great Danes are the tallest dogs.

The longest lived dog was an Australian Cattle Dog, named Bluey, who lived to be 29.

The smartest dogs are the border collie, poodle and golden retriever.

Some human foods such as chocolate and onions can be dangerous for dogs.

Do you know any more interesting facts about dogs?

Writing

Dogs have the nickname "man's best friend".

Make a list of words that describe your own dog (or a dog you know).

What is your dog's name?

Is your dog your best friend?

What do you like about your dog?

What games does your dog like to play?

What funny things does your dog do?

Write a letter to a friend telling them all about your dog.

Extension research

Find the answers to these "dog" questions.

What is the name of Australia's only native dog?

What is the smallest dog?

How long do dogs usually live?

Are Dalmatian puppies born with or without any spots?

What type of dogs pull sleds through the snow in Alaska?

Dog accessories

Dogs usually have a collar to help control them and for identification. They can even be a fashion accessory.

Design a special dog collar for your dog (or a dog you know).

What materials will you use? What color will it be?

Time - Below is the daily timetable for my dog Spot. Mark the time on the clock faces.

7 o'clock - feed Spot

8 o'clock - play ball games with Spot

4 o'clock - take Spot for a walk
