

Name: _____

Theme Based Study Sheet

Fish

Circle the creatures that are fish.

tuna platypus pike
otter carp catfish
sardine whale crab
salmon flounder snapper
dolphin cod seal

Writing

Choose the noun that best fits the sentence.

Fish swim in the _____. (sky, sea)

Most fish have _____. (scales, fur)

_____ help fish to swim. (Fins, Arms)

All fish have a _____. (foot, backbone)

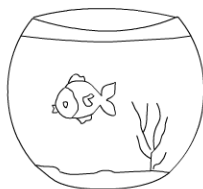

Fish use _____ to breathe. (tails, gills)

Some fish live in fresh _____. (mud, water)

Art

Many tropical fish are very bright and colorful.

Create a tropical fish collage using scrap pieces of paper and material.

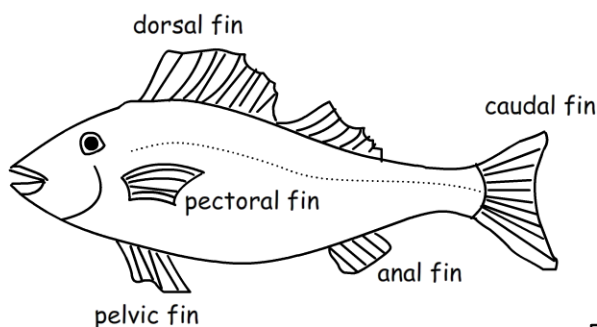

Fish fins

Fins help fish move through the water.

The shape and size of the fins may vary depending on whether the fish uses them for speed or agility.

Some fish use their fins for defense.

Find pictures of at least three types of fish and label their different fins.

Extension research

Write a short report on the world's largest and smallest fish.

Number crunchers

Last week, Tom went fishing four times.

This is what he caught each day:

Monday: 3 big fish, 14 small fish

Tuesday: 9 big fish, 7 small fish

Thursday: 7 big fish, 13 small fish

Saturday: 13 big fish, 4 small fish

What day did he catch the most fish?

What day did he catch the least fish?

How many big fish did he catch altogether?

How many small fish did he catch altogether?
