Fractions
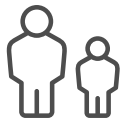

1) *Divide the children into two equal groups.*

Halves

There are _____ children in each group.

2) *Divide the children into four equal groups.*

Quarters

There are _____ children in each group.

3) *Divide the children into eight equal groups.*

Eighths

There are _____ children in each group.

Cut out the images of the children's faces.

Use the images to divide the group in half, into quarters and into eighths.
