

How to Brush Your Teeth

Name: _____

Procedures are instructions that tell the reader how to do something.

They include a sequence of clear instructions that usually begin with an action verb.

- ☆ Make a poster that instructs people how to clean their teeth effectively.

Plan your writing before working on your poster design:

List all the things you need:

Step by Step Instructions

(Tip: use words like brush, move, clean. These action words tell the reader what to do.)

How to Brush Your Teeth

Name: _____

Plan your poster design:

- Allow space for your equipment list and sequence of instructions.
- Instructions should be short and clear.
- You can use pictures to illustrate the steps involved.
