CREATE A POSTER

Choose a country.

Design a poster advertising the country aimed at attracting tourists.

Ideas for creating a poster

- A main message: Clear big writing
 - A main picture to support the message
 - Other smaller messages and pictures (optional)
-

What your poster is about:

Advertising a Country

★ What is the main message? (use one of these or create your own)

examples:

The Greatest Place on Earth, Visit Us Today, Once You Arrive You'll Never Want to Leave.

★ Before you start: Research some information about the country you have chosen. What are the main attractions? What's special about the country that will make people want to visit?

Plan your main picture and any other messages or pictures
