

# Maps

adult guided activity

Cut then paste each item onto the map.

Place the caravan behind the yellow car.

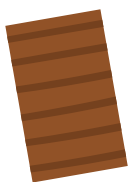

Place these mountains between the two other mountains.

Place the cabin near the pond.

Place the fishing sign onto the post that is close to the three fish.

Place the bridge over the water in front of the kayaks.

Place the car in front of the waterfall.

Place the tent in the middle of the four other tents.

Circle the kayak that is closest to the bridge.  
Circle the mountain that is furthest from the fish.

If there are 2 people in each tent how many people are camping? \_\_\_\_\_
