

# Mining Methods

Name:

Date:

## ***Investigate:***

Research different mining methods.

Draw a diagram and describe the different methods for mining coal.

### Surface Mining

---

---

---

---

---

### Underground Mining

---

---

---

---

---

## ***Investigate current mining statistics:***

How much coal is mined world wide every year?

---

How many countries mine coal?

---

Which countries are the largest exporters of coal?

---
