

The Colour Yellow

Name: _____

The Colour Yellow

Circle the yellow objects

the sun strawberry peas
elephant chicks butter
corn daffodils stop sign lemon
ocean sky blood banana

Do you know any other yellow objects?

'Sunflowers' by Vincent Van Gogh

The artist Vincent Van Gogh painted some very famous pictures of sunflowers.

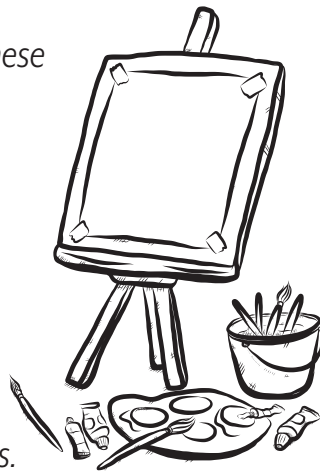

Find some of these paintings in a book or on the Internet.

Write what you like about these paintings?

Do you think yellow is a 'happy' colour? Why?

How many other yellow flowers can you find?

Paint your own picture of your favourite yellow flowers.

Mixing Colours

What colour do you get when you mix:

- yellow and red?

- yellow and blue?

Yellow Search

Collect and list small yellow objects you can find in your home.

Each individual object must be able to fit into a shoe box.

How many objects did you find?

What is your favourite yellow object?

Write a short story about what the object is, what it is used for and where it came from.

Number Crunchers

There are twelve yellow ducks swimming in the pond.

How many groups of two ducks (pairs) are there?

If half of the ducks flew away, how many ducks would be left in the pond?

If four of the ducks flew away, how many would be left?

If four of the ducks had three ducklings, how many ducklings would there be altogether?
