

FLYING BATS

What you will need:

A toilet role, tape/glue, drawing markers, string.

1. Begin by pushing two sides of the toilet role end inwards overlapping each other to create ears.

2. Cut out wings from black paper.

3. glue or tape on the wings on either side of the toilet role.

4. draw on or cut out shapes for the mouth, nose and eyes.

5. hang your bats from the ceiling or door frame on Halloween.
