# Author Study

An author study is a biography about an author.

**Task: Write a biography about an author of your choice.**

PLANNING DRAFT: Use this sheet for planning.

## Information to include:

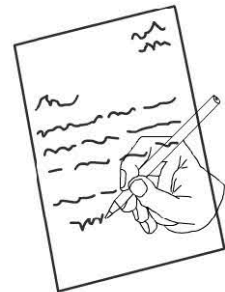

Where and when the author was born.

Where the author now lives.

List some of the books the author has written.

Any other interesting facts about the author.

Include pictures or drawings.

Also write 5 questions that you would ask the author if interviewing them.
