

My name is: _____

What you need for this activity: Strips of craft paper, a pencil and glue.

Fine Motor Skills Activity: Paper curling.

Firmly roll thin strips of paper around a pencil. Carefully remove the pencil. Place a dot of glue under the end of the strip and paste it onto the cross on the lion's mane so that the strip can unroll away from the face. Continue curling paper strips, pasting one on each spot around the lion's face.
