

News Report

A news report is a recount of an event that has occurred.

Example:

Last night (when) Tom Young (who) broke the world record for the 100m backstroke (what). It was an amazing achievement because he is the youngest competitor at these Olympic games. It is also the first gold medal for his country (...more information).

Task:

Write your own news report about a memorable moment from the Paris Olympic games.

Brainstorming: Language for News Reports

*Add some descriptive words to the list.
Choose words that are good for reporting on
different sports.*
