

Procedures: Poster Design

How to Brush Your Teeth

How to Brush Your Teeth Procedure

Procedures are instructions that tell a reader how to do something.

- ★ Equipment List

List everything you need to do the task.

- ★ Steps

Include a sequence of clear instructions that usually begin with an action verb.

Poster Design

- Poster designs are often very simple, with minimal text on the page.
- They have striking headers that catch the reader's attention.
- Pictures are often used to explain the steps visually.

Title Header

Introductory statement to orientate the reader.

What You Need:

Step 1

Short Instruction for step 1

Step 2

Short Instruction for step 2

Step 3
