# Rembrandt

Portrait of Jan Six, by Rembrandt , 1654  
Rijksmuseum, Amsterdam, the Netherlands.

## Using Dramatic Atmosphere

- *Print a copy of the 'Portraits With Dramatic Atmosphere' activity sheet.*

*To complete this activity you will need some watercolors or tempera paint.*

*Use the printed page as a guide for your composition.*

### Tips:

- *Apply paint, paying attention to the light areas first. The dark areas in the background should be added very carefully!*
- *Use the color wheel to help you mix colors.*
- *Add a tiny amount of black to darken a few shades or add white to lighten.*
